Final Probability: 0.4423

## Segment 1 | Probability: 0.4169

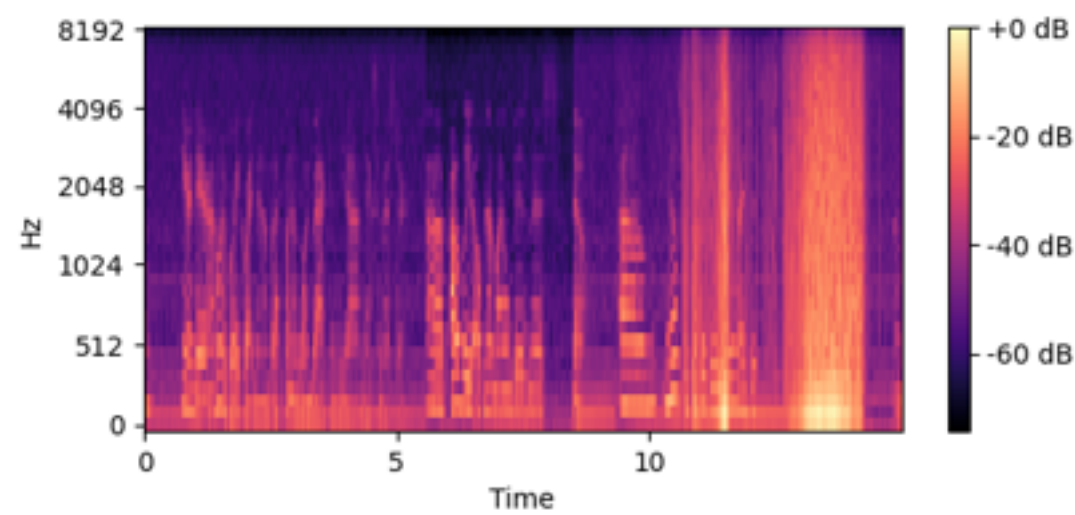

Good. Atlanta, Georgia. My parents are from here. I love it. I like the weather. I like the opportunities. Yes.

## Segment 2 | Probability: 0.4369

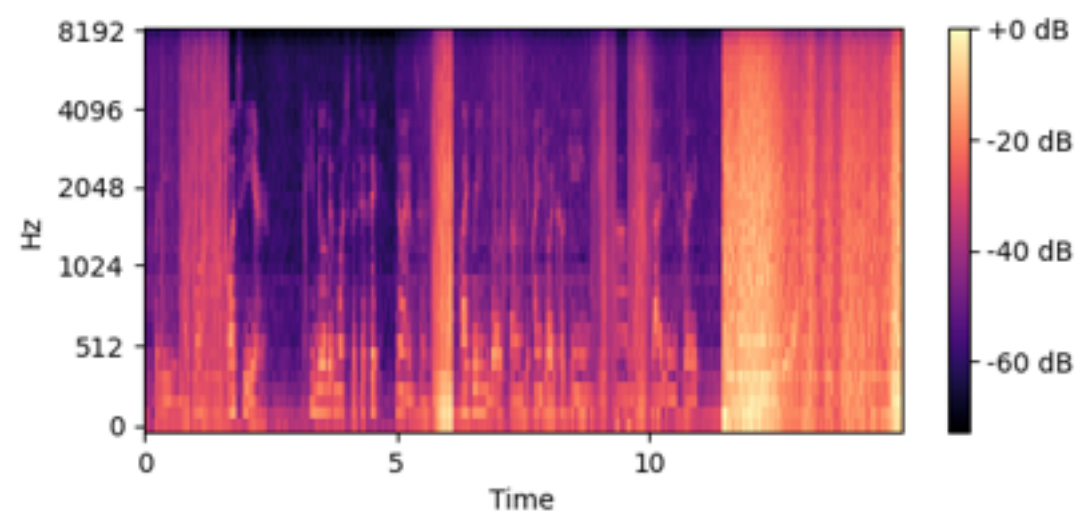

It took a minute. It's somewhat easy. Suggestion. That's it. I took up business and administration. Yeah, I am.

**Segment 3 | Probability: 0.4421**

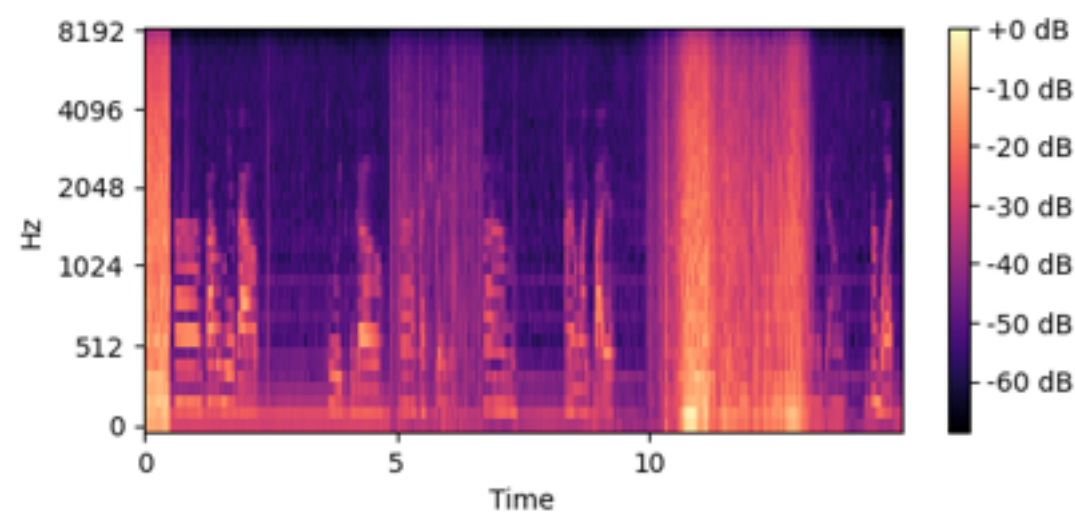

here and there. I'm gonna break right now but I plan on going back in the next semester. Probably to open up my own business. No. No specific reason. I just...

pretty local. Once a year. Can you be a little bit more specific? No answer. I like reading books. I enjoy cooking. Mentioning sizing is great.

**Segment 5 | Probability: 0.5052**

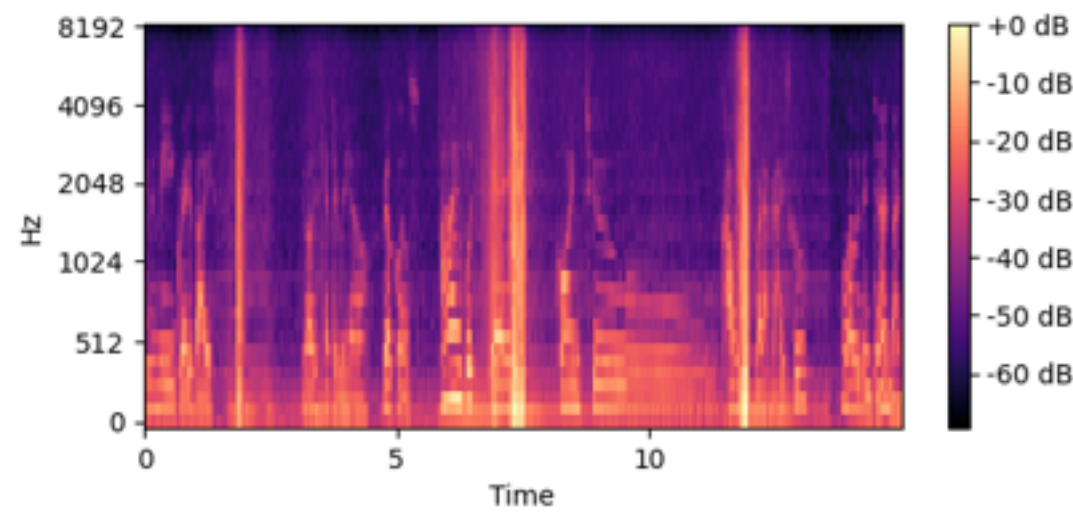

Probably about two weeks ago. I'm frustrated. I don't like bias. And they don't. Somewhat.

**Segment 6 | Probability: 0.4403**

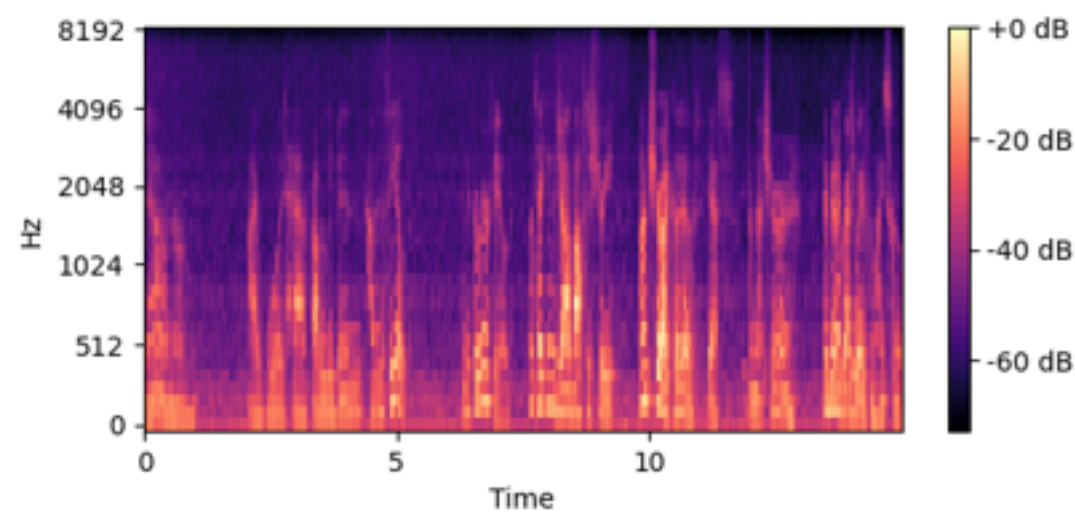

I like to play sports. I enjoy going out with friends and family, playing games, and parents. Yeah, I mean they've always g-

**Segment 7 | Probability: 0.3901**

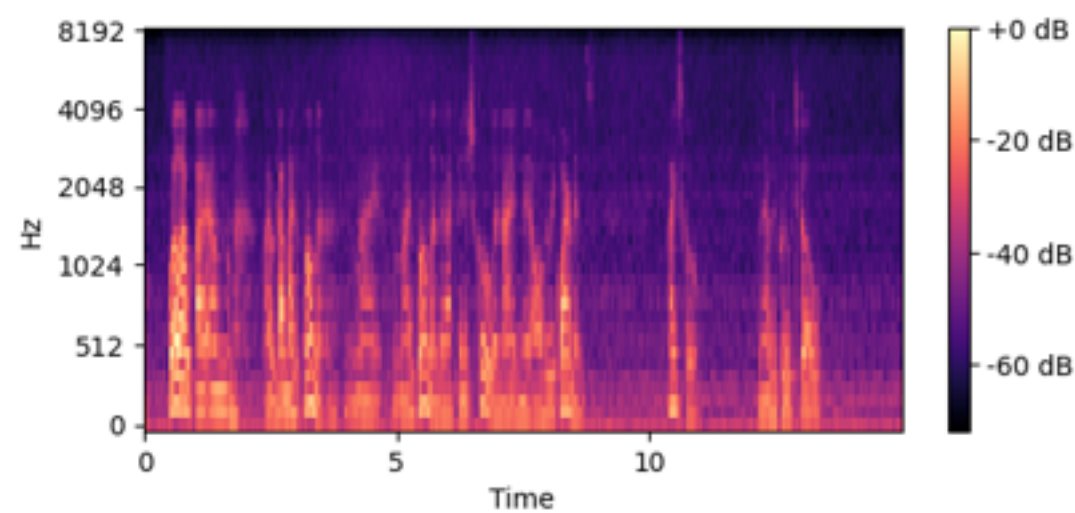

You've always kept it real. Real close. I would say going to college right after high school? Well, I would have been done by...

now and I would have probably been out in the field, in the career field. I'm taking a job off the street. I'm sure I could have, yes. I'm not sure. I've been ungraduated from high school.

**Segment 9 | Probability: 0.3969**

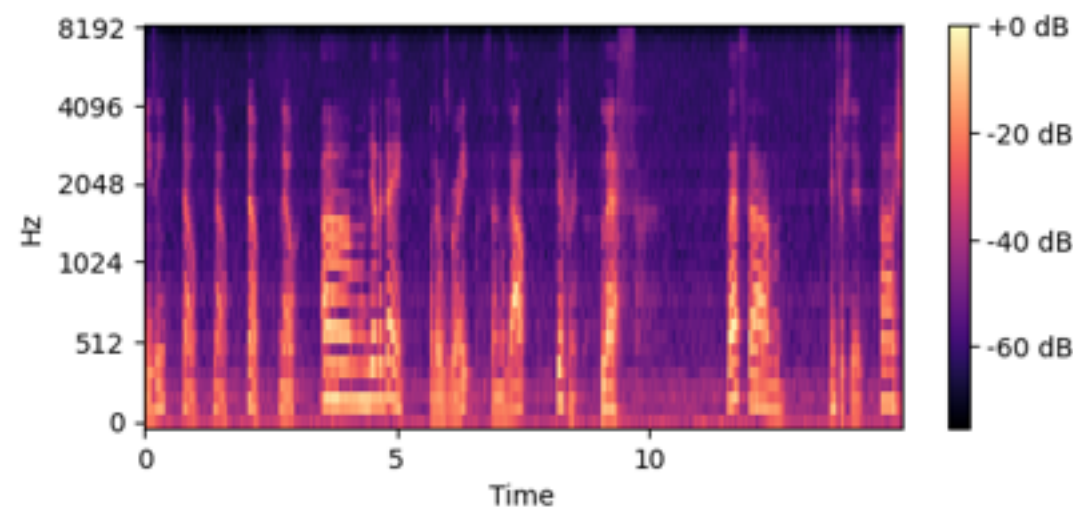

Well, I got my diploma. My diploma that I finished school and I admit all the requirements. High school. And I was approved to go.

**Segment 10 | Probability: 0.4779**

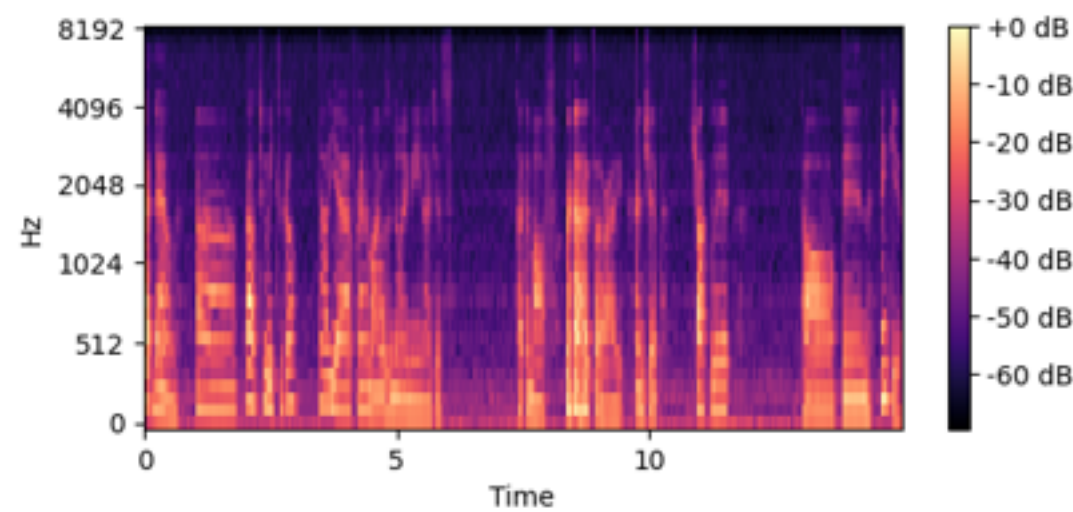

do whatever I wanted to do, living with who? It's alright, it could be better.  
Do you have your makes? No. It's pretty easy. Yes, repeat that. Irritated. Um.  
Like.

**Segment 11 | Probability: 0.4777**

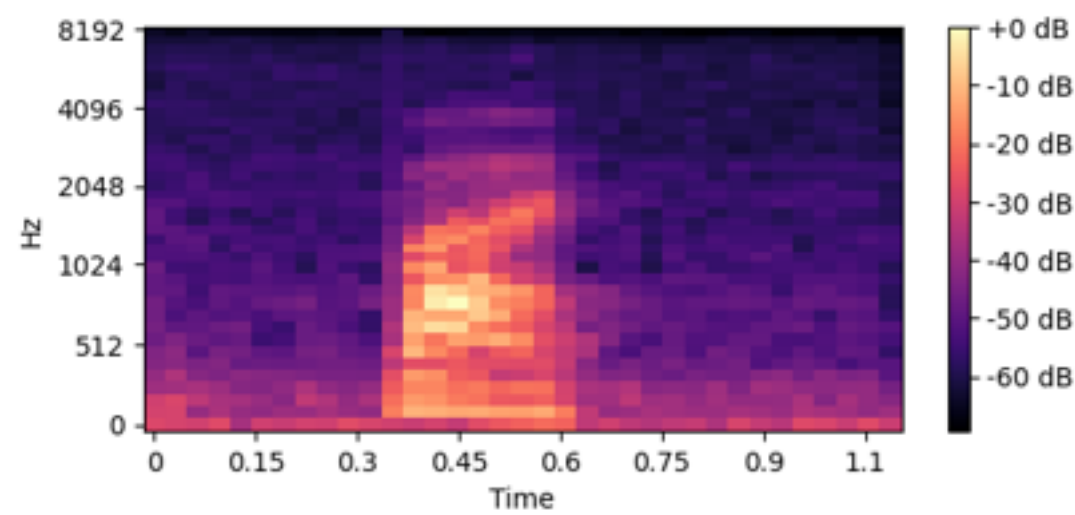

lazy? No, no, no, no. Um, the other day, the weather was great, the sun was out,  
different, less, less, um, interested.

**Segment 12 | Probability: 0.4311**

Shut down. Uh, about two weeks ago. Uh, yeah, a friend of mine was annoying me  
and I just cut them off. Haha, that's alright. Friendship. Chocolate. Tall. And  
thank you.

Segment 13 | Probability: 0.4741

Bye.
